

**PETITION TO THE HOUSE OF COMMONS IN PARLIAMENT**  
**A Petition to Crackdown on Avoidance Transactions and Other Tax Avoidance Measures**

We, the undersigned residents of Canada, draw the attention of the House of Commons in Parliament to the following:

**Whereas** abusive avoidance transactions are costing The Government of Canada billions each year;

**Whereas** abusive avoidance transactions, such as transactions through offshore companies and subsidiaries, provide a means for select Canadian individuals and corporations to shelter monies from the Canada Revenue Agency;

**Whereas** ending such abusive avoidance transactions would create a simpler, more equitable tax system and provide more revenue to assist in providing services for all Canadians.

**Therefore**, we the undersigned call upon the federal government to adopt legislation that facilitates the recovery of tax dollars lost to such abusive avoidance transactions.
